Manufacturer: _____ Special Instructions: _____
 Model: _____ This airplane has retractable gear: Yes _____ No _____
 *Colors: _____ This airplane has a _____ bladed prop.

* Color reproduction can vary for many reasons. In many cases we will have to modify the planes' colors slightly to look more natural with the background (and its lighting) that you have selected. Our goal is to create an exciting photograph of your plane, not match paint chips.

If you only need one background and do not need framing just fill out sections A&D.

If you want two different backgrounds fill out sect. A,B, and D. Framing and matting can be added to your order by filling out section C.
